ANCHORSAWAY Worldview Curriculum

AUTHOR:

Nancy S. Fitzgerald

The *Anchorsaway Worldview Curriculum* is a comprehensive and practical means of teaching students to understand the Christian faith with the mind, as well as with the heart. The curriculum modules cover life questions that Christians and skeptics have regarding their origin, the mess that the world is in, the hope for a world that makes sense, the purpose of their life, and their destiny when they die.

Anchorsaway is taught so that students develop an authentic faith of their own, a lifestyle that is reflective of Christ, and a passion for sharing truth with others.
